OUR PAST PERFORMANCE & CAPABILITIES DELIVERED

- Conducted an equity and diversity audit of the Tualatin River National Wildlife Refuge Complex Volunteer Program.
- Provided agency-wide consulting to enhance human resources and operational strategies alongside leadership coaching for a non-profit organization's effective talent management, communication, and hybrid workplace.
- Evaluate and provide targeted feedback on inclusion plans within proposal submissions to ensure alignment with NASA's commitment to diversity, equity, inclusion, accessibility, and full scientific community participation.
- Designed and facilitated a two-day leadership retreat for Business Oregon, integrating therapist-led support, strengths development, trust-building, effectively tackling hybrid work challenges, and driving holistic personal and organizational growth.
- Transformed a Family Medicine Residency Program through a DEIA-fueled hybrid recruitment strategy. Elevated diversity, streamlined processes, and deepened DEIA integration. Contract renewed for a third year, poised to amplify impact further.
- Conducted a comprehensive DEI Needs Assessment for the Wisconsin Department of Vocational Rehabilitation (DVR) in collaboration with the Prime Contractor, leading to the creation of the DVR DEI 5-Year Strategic Plan. Contract renewed for a second year to amplify DEI impact.

OUR DIFFERENTIATORS

- Business Approach: We provide **tailored solutions, unbiased research, and high-quality products and services** that meet individual client needs, expectations, and timelines.
- Client Relations: Our team values **collaboration, adaptability, and responsiveness**. We prioritize serving, learning, and understanding while avoiding bias and subjective outcomes.
- Economic Impact: We **recruit from diverse communities, military spouses, and early-career** professionals to promote workforce growth.
